

# Baroda Equipment and Vessels Pvt. Ltd.

**Product Profile:  
Skid Mounted Assemblies**

# Split of Scope

Description	Client	BEV
Design, sizing, skid layout including piping, E&I	✓	
Detailed engineering of piping, structural skid frame		✓
Procurement of piping, structural sections, E&I bulks, insulation		✓
Procurement of manual valves, E&I catalogue items (e.g., JBs, Transmitters, Switches, Gauges etc.)		✓
Procurement of special items such as flow meters, control valves, actuated valves (motorised / pneumatic), non catalogue items	✓	
Skid frame fabrication, piping: fabrication, hydro test, process cleaning, painting, assembling on skid, leak test, installation of vessels and equipment, E&I installation, insulation, mechanical completion		✓

# Split of Scope

Description	Client	BEV
E&I loop checks, dry simulation of power / air operated items		✓
Function Testing of complete skid (under supervision of client)		✓
Dismantling for transportation (if any), packing, nitrogen blanketing, load out on trailer		✓
PED Certification: Fabrication and Assembly under NoBo (e.g., Mod. B1+F certification)		✓
Design, detailed engg, procurement, fabrication, testing & certification of vessels & heat exchangers on skid: U Stamp / PED Mod. H1 or H / AD 2000 HPo		✓

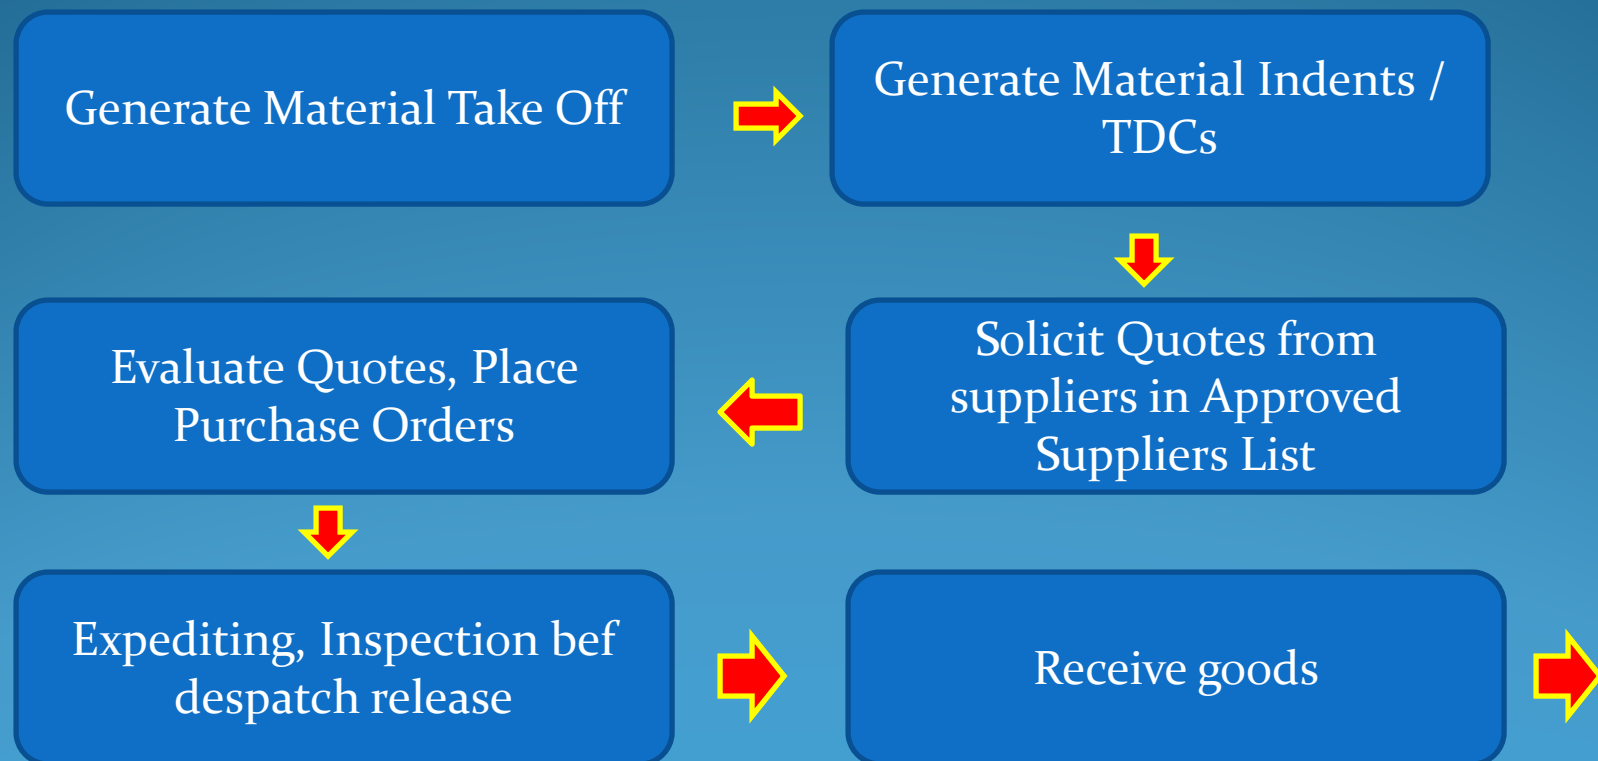

**Our NoBo**  
**Hartford Steam Boilers, UK**

# Skids Done So Far

Client	Type of skid	Qty	Work Volume
Daniel Measurement Solutions	Gas / Oil / Condensate Filtration, Pressure Reduction & Metering Skids	42 Skids	18,000 Dia Inch
UOP Honeywell	PSA Piping & Valve Skid	1 Skid	1,512 Dia Inch
Linde AG	PSA Piping & Valve Skid	1 Skid	3,020 Dia Inch

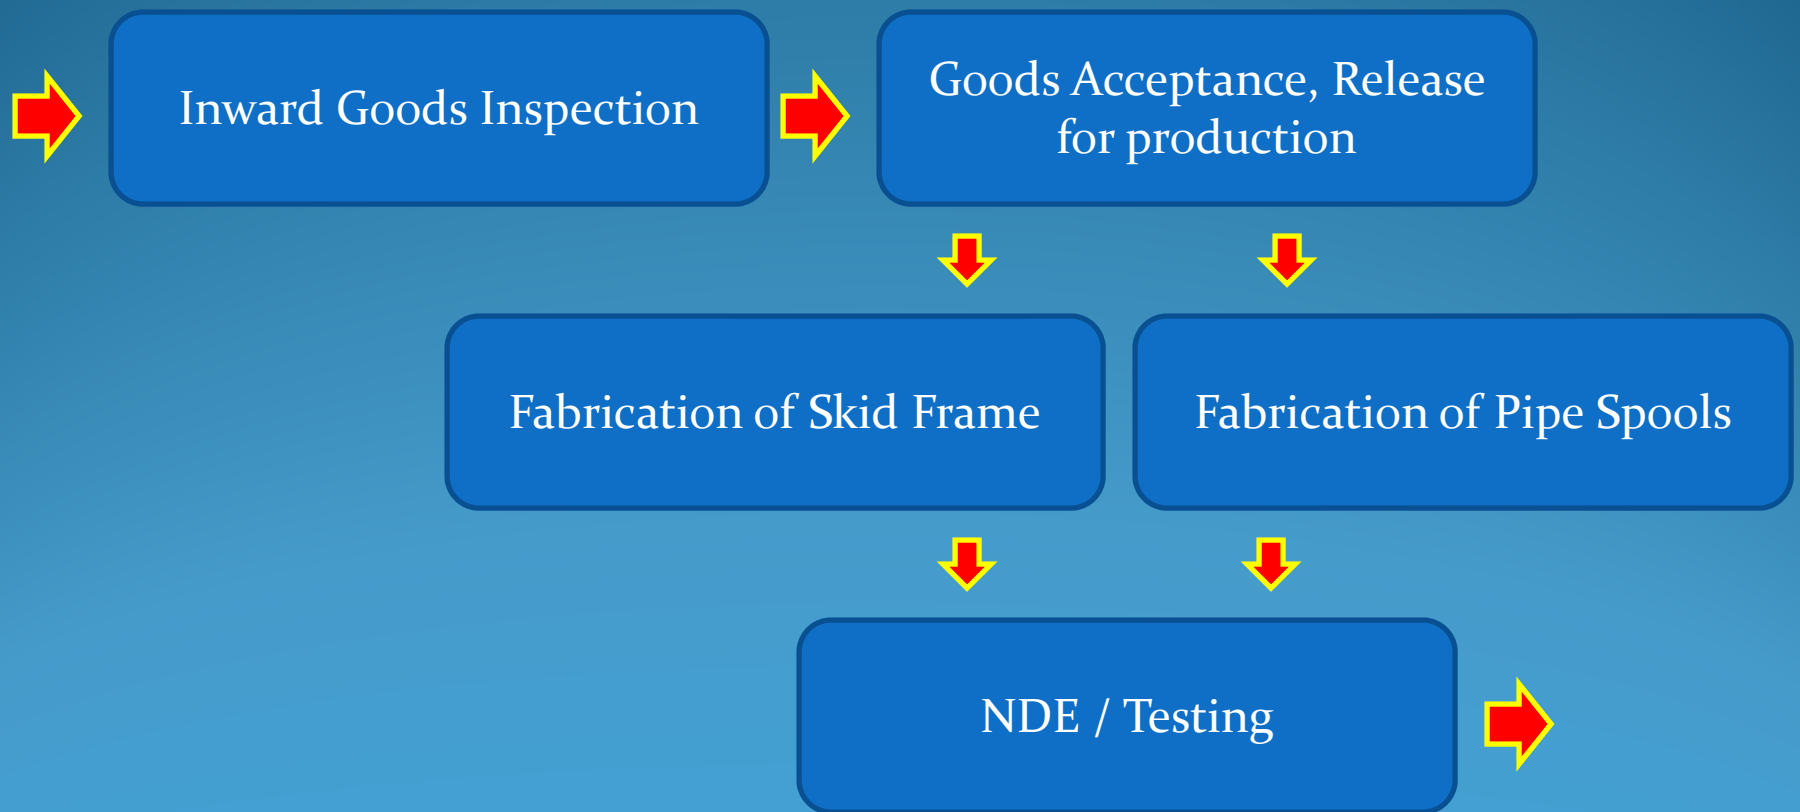

# Project Management

Piping, Structural Sections, E&I Bulk Items, E&I Catalogue Items, Mech Valves, Insulation etc.

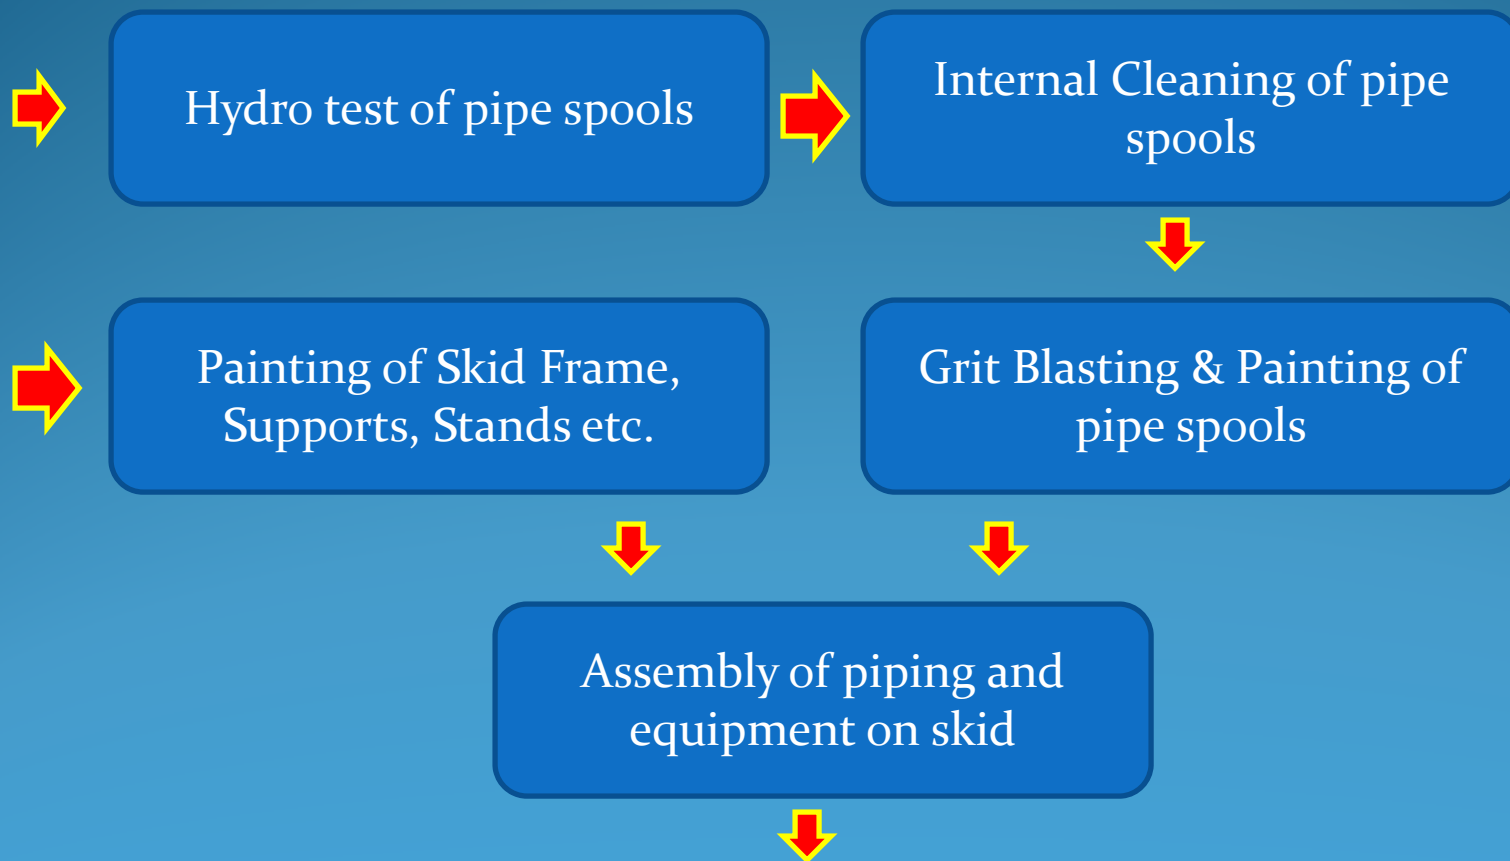

# Project Management

Piping, Structural Sections, E&I Bulk Items, E&I Catalogue Items, Mech Valves, Insulation etc.

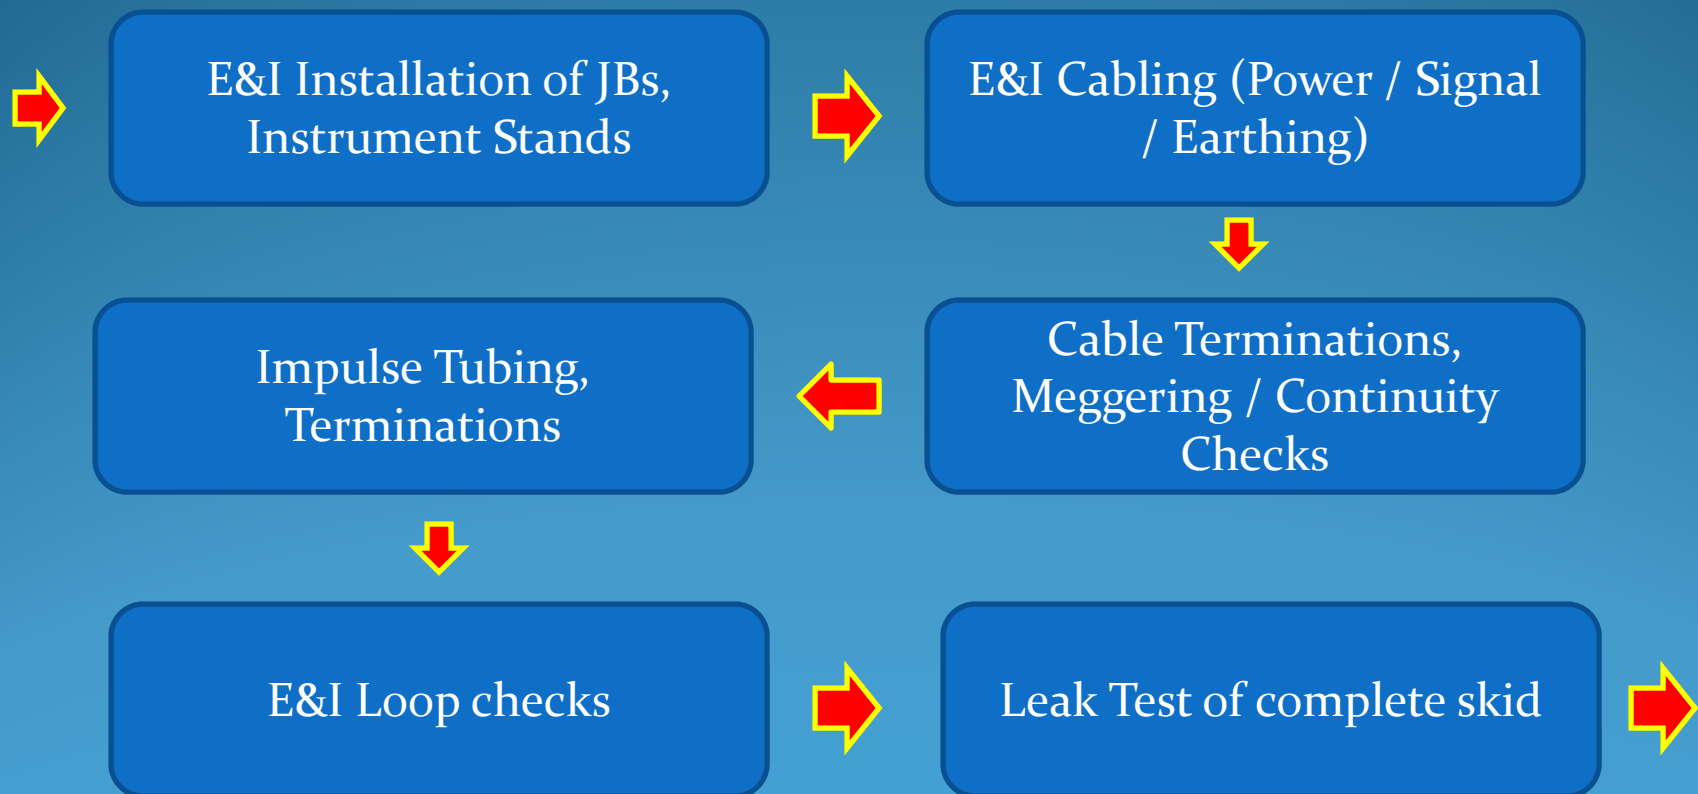

# Project Management

Piping, Structural Sections, E&I Bulk Items, E&I Catalogue Items, Mech Valves, Insulation etc.

# Project Management

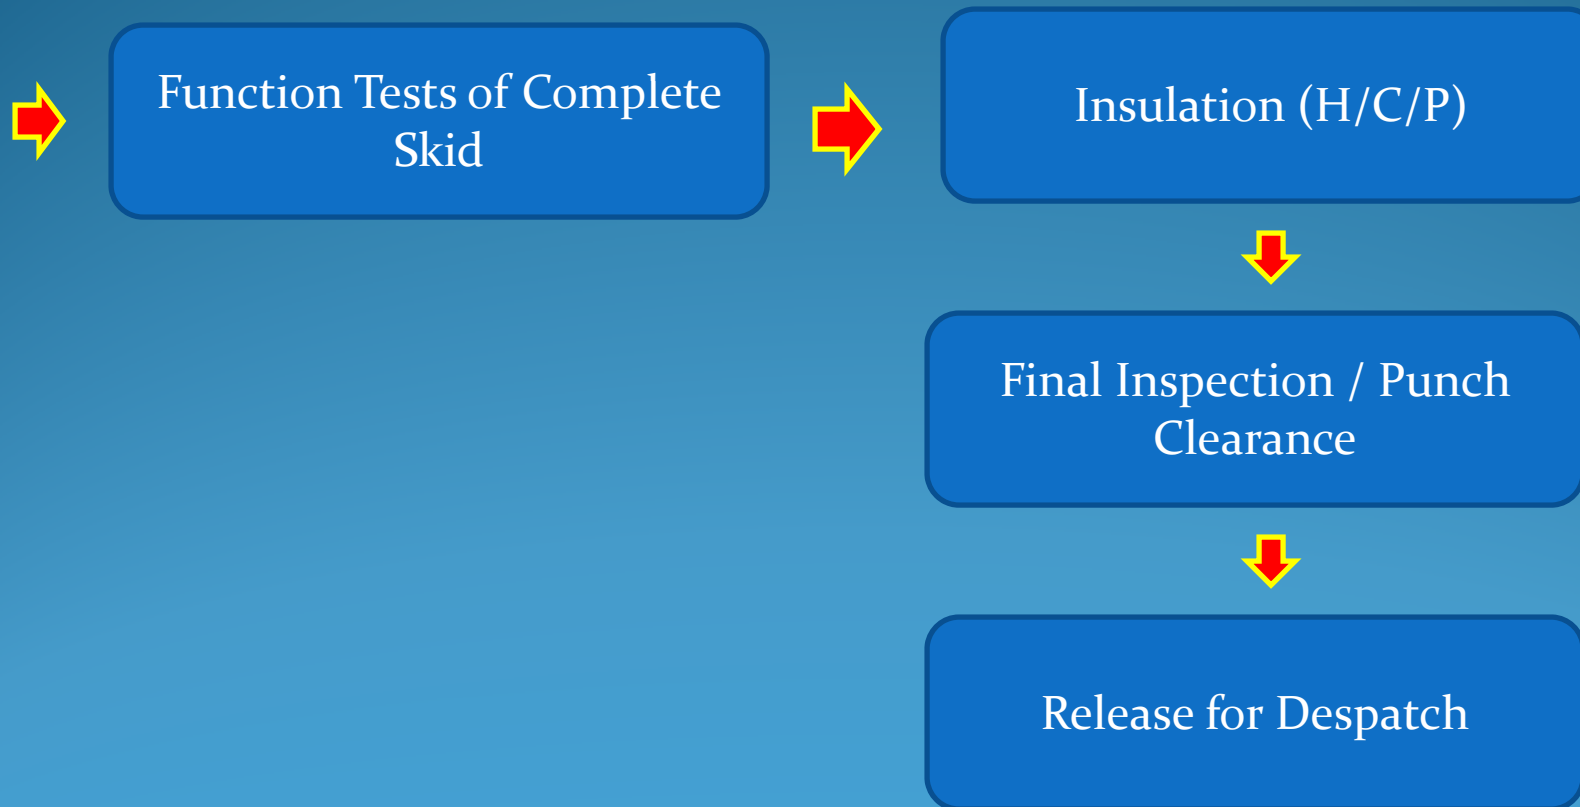

Piping, Structural Sections, E&I Bulk Items, E&I Catalogue Items, Mech Valves, Insulation etc.

# Project Management
